

Bucky Gideon Knows Best.

“Ridgeland’s pro-growth stance makes it one of the best places to do business in the south,” insists developer Bucky Gideon. As a partner in Bridgewater, one of Ridgeland’s finest residential developments, and Trace Station, a new upscale retail center, Gideon clearly understands our city’s residential and commercial appeal. “With an excellent location, good schools and the best business climate going, Ridgeland isn’t just a great place to live. It’s a great place to make a living.”
