

MISSION OF THE CITY OF RIDGELAND

The mission of the City of Ridgeland's employees and elected officials is to serve a dynamic, community-oriented city by governing in a manner that fosters stewardship of community resources, accountability to the public, and high quality results.

Community: We believe that our stable neighborhoods, strong community institutions and events, balanced development, employment opportunities, excellent schools, growing churches, and recreational opportunities promote family-oriented quality of life.

Public Service: We believe that our public services must be efficiently managed, customer-focused, and delivered by well-trained, professional employees.

Forward Thinking: We acknowledge that change and vision are indispensable to the continuity and success of the City of Ridgeland. We must learn from both our past and present how to anticipate and prepare for the future. We are committed to honest evaluation, to encouraging and supporting risk-taking, fostering innovation, and to comprehensive planning to adapt to our changing environment.
