RIDGELAND LIFE

December 2022 - February 2023

It's That...
Spirit Lifting,
Merry Making,
New Year Toasting,
Time of Year.

the WINTER ISSUE

FROM THE MAYOR

Gene McGee

As 2022 draws to a close, I want to reflect on what an extraordinary year it's been for the City of Ridgeland. We are beyond blessed in so many ways:

- Our economy is strong and growing.
- We have a team of employees who care deeply about the City and they go above and beyond in their duties to ensure that critical services are provided to all citizens and visitors.
- Ridgeland's public safety departments, both fire and police, are second-to-none.
- With thanks to our public works department, we have the best streets, and our water and sewer systems are top of the line.
- Our community development department is succeeding in bringing in new development that enhances our economy.
- The code enforcement department is exceling in their efforts to oversee that businesses and residences stay up to city code.
- The Recreation and Parks Department strives to meet our citizens' love for exercise with safe and accessible park facilities and a diverse recreation program.
- And finally, our administrative department does an outstanding job ensuring Ridgeland remains a fiscally healthy city through their dutiful oversight of our budget.

We have recently welcomed Kim Cooper, a Mississippi native, as Director of Public Relations. Her duties include serving as the Editor of the Ridgeland Life Magazine and leading all communications – media relations, social media, and the City's website – to keep you informed. Kim comes to us with a tremendous history of public relations experience, and I am delighted to have her on our team.

As the Christmas season approaches, I hope each of you will consider shopping local. Our brick-and-mortar Ridgeland stores do so much to support our city – such as sponsoring youth activities like little league and soccer teams. Their investments in our City greatly enhance the quality of life for our citizens and your patronage of their businesses is a meaningful way to show your gratitude.

Finally, I encourage you to take time to be with your families and friends over the holidays. There's no greater gift than time with our loved ones. Best wishes for a joyful holiday season and a happy and healthy new year!

RIDGELAND CHRISTMAS TREE LIGHTING AT THE PLAZA AT OLD TOWN CROSSING

ONE OF TWO ART WORKS HANGING AT CITY HALL - CREATED BY LOCAL ARTIST, MARK MILLETT

IN EVERY ISSUE OF RIDGELAND LIFE, WE ENDEAVOR TO TELL YOU A LITTLE OF RIDGELAND'S HISTORY - THE STORY OF HOW RIDGELAND CAME TO BE AND ITS PROGRESS AND GROWTH OVER THE PAST (ALMOST) 125 YEARS. INDEED, OUR MISSION STATEMENT IS TO IDENTIFY, GATHER AND PRESERVE HISTORICAL ARTIFACTS, SITES, ORAL HISTORIES, AND PHOTOGRAPHS, AS WELL AS TO EDUCATE THE COMMUNITY. WE HAVE TRIED TO ACCOMPLISH THIS MISSION IN SEVERAL WAYS.

Working with the Mississippi Department of Archives and History, the Historical Society developed a Historical Marker that was placed adjacent to the railroad at West Jackson Street. This commemorates the area where the first families disembarked from the train to make their home in the newly chartered Village of Ridgeland.

The City realized the need for an authorized Historical Committee. Consisting of six members of the Historical Society, this committee works closely with City personnel and was instrumental in officially naming the area first incorporated as the Village of Ridgeland as "Old Town." It also spearheaded naming "Old Town Crossing" and "The Plaza at Old Town Crossing" in that area.

When preparing for the opening of the new City Hall, Mayor McGee contacted the Society about commissioning two art installations for the building. We called on the talented and well-known artist, Mark Millett, to create these works. One depicts the history of the Natchez Trace, while the other shows Ridgeland's path of growth from early times to the present era, and into the future.

With sponsorship from Ridgeland Tourism Commission and support from the City, the Historical Society is honored to be the primary presenter of the Ridgeland Christmas Tree Lighting at the Plaza at Old Town Crossing. This event kicks off a three-day celebration in Ridgeland and showcases local talent, entertaining children and parents alike. Along with a visit from Santa, we also try to sneak a little history lesson into the program.

In October of 2019, we led a tour of Jessamine Cemetery. Several articles about the cemetery have appeared in this publication, along with stories of Ridgeland's early times and the people that played an important part in its growth. In previous meetings of the Society, we have hosted speakers giving accounts of life and events in the early years of the town.

The History Room, on the left as you enter City Hall, houses many artifacts from Ridgeland's past. There is

currently a display of items from the Fire Department and Police Department. Some of these items will remain on permanent display, joining photographs and other artifacts from Ridgeland's First Families. We constantly search for additional pieces to add to this permanent collection. If you have photographs, newspaper clippings or other items that you feel would add to this collection, we want to hear from you. Please contact Kim Cooper at City Hall and she will put you in touch with the Society. Please don't forget to sign the guestbook!

In the History Room, along with scrapbooks of photos and articles, you will find the second edition of "The History of Ridgeland, Mississippi." This brochure features a timeline of Ridgeland's history, a map depicting the growth of Ridgeland, locations of sites of interest and additional information on churches, city structures, markers, plantations, and cemeteries.

Another exciting project, which is still in development, is the Ridgeland History Trail. Taking advantage of existing recreational trails and sites identified in the Society's history brochure, the Ridgeland History Trail will consist of wayside interpretive signs highlighting our history from the prehistoric past to the growth of modern-day Ridgeland. The signs will particularly focus on the City's development as a town in the early 20th century, as well as other sites of interest, including the Choctaw Agency, Brashear's Stand, and local church history. A joint effort of the Historical Society of Ridgeland, the City of Ridgeland and the Ridgeland Tourism Commission, the project is slated to be completed in 2023.

We are grateful for support from the City and Tourism, proud of our past efforts, and excited about upcoming projects. It is our hope that you will take advantage of every opportunity to experience what is offered as we strive to continue... Telling Ridgeland's Story.

BRIAN MYERS TALKS ABOUT HIS PATH TO CHIEF AND HIS ACCOMPLISHED, EXPERIENCED COMMAND STAFF

By Kim Cooper

On July 1, 2022, Ridgeland experienced a changing of the guard when Brian Myers was sworn in as the City's new police chief. For Myers, a 24-year veteran of the department, it was a dream becoming a reality. Ever since he first put on his Ridgeland law officer uniform, his career goal was to one day be chief.

Now, after having held 8 positions over two decades – most recently as lieutenant and commander of the patrol and criminal investigations divisions on the command staff – Myers leads a team of 70 law officers.

The Ridgeland Police Department (RPD) has a very accomplished and experienced Command Staff with more than 118-years of collective service – all to the Ridgeland Police Department (RPD). Command Staff includes:

- Brian Myers, Chief of Police, joined RPD in July 1998
 - Tony Willridge, Assistant Chief of Police; joined RPD in February 1996
 - Lt. Eddy Addison, Commander of Patrol Division; joined RPD in May 2002
 - Lt. Mark Penn, Commander of Support Services; joined RPD in October 1995
 - Lt. Brett Bertucci, Commander of Criminal Investigations; joined RPD in September 2001
- Chief Myers, Assistant Chief Willridge and Lts.

Addison, Penn and Bertucci all started their careers with RPD and even went through SWAT team training together. They have worked their way through the ranks – collectively holding nearly every position within the department – and remain dedicated to protecting the City of Ridgeland.

Myers, selected for his qualifications and deep experience with the RPD, received praise from Ridgeland Mayor Gene McGee, who said, “He has some great ideas that I believe our law officers will support, and I think he will make the police

department, as well as the City of Ridgeland, that much better.”

RPD's priorities include:

- Seeking better pay for RPD officers
- Introducing the Street Crimes Unit, led by Lt. Penn, Officer Ben Johnson and includes a team of four officers, to patrol problematic areas such as hotels, shopping areas and apartments. Since starting in July 2022, the unit has already proved effective having made 201 arrests, including several felony arrests for narcotics, and given 282 citations.
- Implementing a body-worn camera policy set to begin in 2023
- Recruiting and hiring 10 new patrol officers with a goal to be fully staffed by spring 2023. These positions include a five-phase, year-long training program: orientation, day shift patrol, night shift patrol, shadow patrol and an evaluation period.

With the holiday season approaching, Chief Myers has some safety recommendations for Ridgeland citizens:

- Lock your doors.
- When shopping, strap your purse across your body.
- If out after dark, park in a well-lit area.
- If you have any concern about getting out of your car, then don't.
- Look under your car after shopping.
- Request an escort if you feel unsafe.
- Don't leave visible gifts and items in the car; lock them in your trunk.

The main mission of the RPD is to protect the community through citizen engagement. Chief Myers says Ridgeland residents can help the RPD better do their jobs by speaking up if they see something of concern and follow the “see something, say something” mantra. To contact the RPD, call (601) 856-2121.

A CONVERSATION WITH
THE CITY OF RIDGELAND'S
LANDSCAPE ARCHITECT

*Matt
Dodd*

WHERE DID YOU GROW UP AND ATTEND SCHOOL?

I grew up in Plainfield, Indiana and went to high school there. I attended college at Purdue University, where I studied engineering, and later transferred to Mississippi State University to study landscape architecture.

TELL ME ABOUT YOUR FAMILY.

I've been married to my wife Shannon for 21 years and we have three children ages 11 to 19. We currently live in Rankin County. A fun fact about me is that I have an identical twin brother who still lives in Indiana.

WHAT INSPIRED YOU TO BECOME A LANDSCAPE ARCHITECT?

I've always had a passion for golf and dreamed at a young age of designing golf courses.

THE CITY IS EXCITED TO HAVE YOU IN YOUR NEW ROLE, ESPECIALLY WITH THE YEARS YOU SPENT AS RIDGELAND'S CITY PLANNER. TELL ME ABOUT YOUR ROLE AS CITY PLANNER AND JOURNEY LEADING UP TO NOW.

Upon graduating with my degree in landscape architecture, my first job was with Hartley P. Fairchild and Associates. One of their main services was residential development planning. Our team worked on developments in central Mississippi, including several in Ridgeland.

In 2002, I accepted a job with Moore Planning Group in Louisiana. My work there was focused mostly on large scale master planning such as town, county and parish projects. I actually met Alan Hart, our Director of Public Works, while working there.

After more than four years in Louisiana, my wife and I decided we wanted to move back to Mississippi to be closer to family. I joined the team at JBHM Architecture and worked in the land planning division for a year.

In January 2007, I joined the City of Ridgeland as City Planner and continued in that role for more than 11 years. In 2018, I was offered the position of Community Development Director for the City of Brandon. Then flash forward to now, and I'm back home at City Hall in Ridgeland as the new city landscape architect. My first day back was October 3, 2022, and I'm so excited to be working with Ridgeland's team and be part of the exciting growth that's ahead for the City.

WHAT HAS DRAWN YOU TO WORKING IN GOVERNMENT?

At first, I never sought out to work in government. But I've found that one of the best reasons to work in public service is because of the opportunity to make a positive impact on residents' lives. I love knowing that I'm a part of the growth of this great City.

WHAT ARE A FEW EXAMPLES OF NEW PROJECTS YOU ARE WORKING ON?

New projects that I'm working on include:

- Future multi-use trail projects
- Tree planting projects
- Working with the City Planner to upgrade the City's online GIS map
- Beautification enhancement projects throughout the City.

I primarily work in the Public Works department, but my role also works cross-functionally with other areas of the city, such as the Recreation and Parks department.

WHAT DO YOU LIKE TO DO IN YOUR SPARE TIME?

I enjoy time with my family. Our kids are involved in youth sports, and we love getting out in nature to hike, kayak, and go camping. And of course, I still love a good game of golf!

IS THERE ANYTHING ELSE YOU'D LIKE TO ADD?

Ridgeland has three licensed landscape architects on staff, which is rare. We take a lot of pride in the beautification of our City.

About the Chamber

Ridgeland

A BLUEPRINT FOR SUCCESS

By Linda Bynum, Executive Director of the Ridgeland Chamber of Commerce

City of Ridgeland
Chamber of Commerce

THE RIDGELAND CHAMBER OF COMMERCE - 754 SOUTH PEAR ORCHARD ROAD

The Ridgeland Chamber of Commerce is keeping members and the community connected and making an impact through a variety of programs. For example, the Chamber's annual October Fall Golf Classic at Lake Caroline Golf Club provides Chamber members and guests with a fun day of golfing, networking, and good sportsmanship.

"Our Ridgeland Chamber Golf Classic has grown in popularity," said Linda Bynum, Executive Director of the Ridgeland Chamber of Commerce. "Over 100 golfers enjoy

a relaxing and fun day, delicious lunch, snacks and drinks, and an opportunity to win a two-year lease on a new Mercedes C300 Sedan sponsored by Mercedes-Benz of Jackson."

For 29 years, the mission of the Ridgeland Chamber of Commerce has been to encourage an environment conducive to the continuing development of new and existing businesses. With a membership of 900, the Chamber is composed of corporations, service businesses, nonprofit organizations, and individuals who share the Chamber's goal of promoting and

maintaining a healthy business environment for businesses to succeed. If it's important to business, it's important to the Ridgeland Chamber of Commerce.

2022 was an exceptional year for the Ridgeland Chamber of Commerce with ribbon cuttings, groundbreaking, grand openings, and well-attended Business After Hours socials. The Chamber continued its mission to enhance the economic vitality of Ridgeland by constantly setting new goals and offering fresh and innovative programs to Chamber members.

Chamber Programs

The Chamber's annual **CLAY SHOOT** – Held at Turcotte Shooting Facility, the Chamber's clay shoot brings Chamber members and guests together for a day of team building and great fun.

WOMEN TO WOMEN: A CELEBRATION LUNCHEON

features an inspirational and educational event designed for women of all ages. Held at the Country Club of Jackson, the event highlights prominent women who have achieved remarkable success and overcome many challenges and obstacles. Chamber members are encouraged to set up vendor booths to showcase fashion, accessories, and home décor.

RIDGELAND POLICE

APPRECIATION WEEK celebrates National Law Enforcement Week with the Ridgeland Chamber honoring our men and women in blue. The week-long list of events and activities include a memorial service honoring fallen officers nationwide. The Chamber distributes blue ribbons for the community to wear; provides 12 "Officer of the Month" gift cards and surprises all officers with fabulous goody bags containing items donated by Chamber member businesses. This year, Chamber members adopted

all 66 Ridgeland police officers, including Titus the canine officer with a life-saving Guardian Angel device, as well as a golf Guardian Angel lapel pin. A Guardian Angel clips onto the shoulder of an officer's uniform and provides super bright light which sends a warning signal to motorists that an officer is standing close to the roadway.

The Chamber's JUNIOR DIPLOMAT LEADERSHIP PROGRAM

is in its 21st year with 37 students representing area schools. "It is our hope that this program will instill in our young people the value of community service and the importance of making one's community the best it can be," Bynum said.

The Chamber's **NEW MEMBER BREAKFASTS** welcome new businesses and individual members while the Chamber's 40 Diplomats continue to represent the Chamber as goodwill ambassadors to the business community.

SHOP SMALL SATURDAY –

Celebrating Ridgeland's small businesses and the contributions they make to the City's economy, the Chamber partners with the City of Ridgeland and Visit Ridgeland to promote independently-owned

businesses by proclaiming the Saturday after Thanksgiving as Small Business Saturday.

The Chamber's annual SHOP LOCAL – BUY LOCAL

is a pre-holiday shopping extravaganza held in December which includes over 60 businesses showcasing their products and services. The Chamber partners with Visit Ridgeland and New South Radio, Inc. | Digio Strategies (Y101; MIX 98.7 and 93.5 The Legend) to promote Ridgeland as a premier shopping and dining destination through radio commercials and digital ads.

The Chamber's annual MAYOR'S PRAYER BREAKFAST,

held at Colonial Heights Baptist Church, is a day of reflection and thanksgiving. Open to the Ridgeland community, the Mayor's Prayer Breakfast is one of the Chamber's most popular and well-attended events.

The Chamber's ANNUAL AWARDS BANQUET

drew a sold-out crowd to hear The Luckenbach Willie Nelson Tribute Band as Chamber members and guests celebrated "On the Road Again!" after almost two years of limited socialization and networking opportunities.

CELEBRATING 29 YEARS

"It's an exciting time to live and work in Ridgeland," said 2022 Ridgeland Chamber President Ray Balentine, of the engineering firm Michael Baker International.

"As we celebrate our 29th anniversary, we will continue

to serve as a strong advocate for growth and development." Balentine said.

"With the fast growth in our City, our Chamber is taking a leadership role in helping to grow our economy and build a strong,

solid community for generations to come. The Ridgeland Chamber is all about making connections, fostering growth, and showcasing Ridgeland as a blueprint for success. If it's your business, it's our business, too!"

Every Piece of the Puzzle Matters

There is no doubt that we serve many nationalities at Ann Smith Elementary. The demographics at our school are very diverse. To accommodate for our demographics, we chose the theme of “Every Piece of the Puzzle Matters,” to represent our school.

Last school year, we hosted our first Annual Arts Cultural Field Day by choosing the country of Argentina. The students learned about Argentinian culture - including their food, music, and art. The artist we chose to study was Nicolas Romero Escalada. He was famous for the murals he painted on the walls of buildings in Argentina. We invited artist Brooks Evans to help with designing our mural, which represents our school and our diversity.

Students were eager to contribute to the mural. To represent every culture, all the students helped us

complete this project. After the mural was completed, students could remember which part of the mural they helped to complete by saying “I painted this block.” Other students made comments stating, “That looks just like me.” Their comments really demonstrated that this is one way we can show how “Every Piece of the Puzzle Matters.” We all matter, no matter what our culture or differences may be.

“I felt it was very important for us to represent and display each culture that we have here at Ann Smith.”

Old Town Middle School

Grades 6–8 • 210 Sunnybrook Rd. • 601-898-8730 • www.madison-schools.com/otm

By Abbie Marbury, PTO Public Relations Chair

Old Town Middle School has already had a jam-packed school year! We bid a fond farewell to former principal, Crystal Chase, as she moved to Ridgeland High School. In turn, we welcomed new principal Levi Robinson, who comes to Old Town with twenty-six years in education, fifteen of which have been in administration. We are excited to see what the administrators have planned for our students!

This year's homecoming theme was "The Greatest Show on Turf," and our 6th, 7th, and 8th grades pulled out all the stops with their floats in the annual parade. The 6th grade's "Elephants" float won 1st place in the Community Division; 7th grade's "Acrobats" took 3rd place, and 8th grade's "Tigers" took 2nd place. Old Town's school spirit shined through, and we are so proud of the hard work and ingenuity shown by everyone who participated.

Old Town has a long-standing tradition of excellence in academics, arts, and athletics. This year is no different. The administrators, teachers, and students have been working tirelessly to "Move the Mark." As part of those efforts, Old Town has been utilizing a new online tutoring system called "Paper" that provides round-the-clock live tutors for our students, and it provides those services in four different languages. The students

who made honor roll for the first quarter were given the opportunity to go to the movies on October 28th. We were impressed with how many students were able to attend. This year is already off to a great start! We can't wait to see what activities the Beta Club, Technology Student Association, Student Council, Band, Choir, Drama, and more have in store for 2022-2023!

Old Town's athletic teams have had quite a successful first quarter, too! Many of you may not know, but several of our teams are combined with and compete with the high school teams – girls' soccer, swimming, bowling, and cross-country teams all have Old Town students on their team rosters. This year, Old Town had four students qualify for Regionals in cross-country, and one of our swimmers

even qualified for North State! The 7th and 8th grade girls' volleyball teams made sure their hard work during summer camps and practices paid off for their winning season. Old Town's football team put up a good fight on the gridiron this year. We are certainly proud of them! Congratulations to all our athletes and coaches who have finished their seasons, and best of luck to the athletes and coaches who are starting their seasons – you make us proud to be Titans!

Lastly, Old Town has another long-standing tradition of service to the community. During the Jackson water crisis this September, Old Town students, faculty, and families rallied together to participate in Madison County School District's bottled water drive to provide safe drinking water to our friends and colleagues in Jackson Public Schools. As part of October breast cancer awareness, Old Town participated alongside Ridgeland High School's "Pink Out" events wearing pink on specified days. On October 27th, the school held a pep rally and fundraiser resulting in a donation of \$312.00 to the American Cancer Society. Old Town held a food drive in November to bless families in need over the Thanksgiving holidays. We are so proud of our Old Town families!

Quartet of Ridgeland High School Seniors Receive College Board and National Merit Commendations

Four Ridgeland High School seniors earned national honors for their PSAT scores; a College Board standardized test administered to students across the nation. Allen Richert was named a National Merit Semi-Finalist and Jayla Travis was named a National Merit Commended Scholar. The National African American Recognition Program, in conjunction with the College Board, recognized scholars Myles Moore and Unique Funchess. This is an honor for

academically exceptional African American students who have scored in the top 10 percent of the state on the PSAT.

All of these Titans are members of the Ridgeland High School band, and provide integral leadership and musicianship to the program. Drum major Katie Partridge also scored exceptionally well on the PSAT. "All members of the Ridgeland High School Band are in an environment to develop their leadership and interpersonal

skills," said Jill Wallace, Director of Bands at the high school. The student leaders are responsible for assisting with many tasks that go on behind the scenes to help a band program run successfully. These tasks help to develop time management, accountability, and the importance of working together to achieve a goal.

Arts education and academic excellence go hand-in-hand at Ridgeland High!

Congratulations

Ridgeland High Gridiron Star Ayden Williams *Heads to the 2023 Under Armour All-America Nex+ Game.*

Accolades came almost weekly this season for senior 4-star Titan wide-receiver, Ayden Williams. The crown jewel of his season came with an invitation to the 2023 Under Armour All-American Nex+ Game. Ayden is the first Titan in the school's 20-year history to be selected for the Clarion Ledger first-team all-state. With stats like 69 catches for 1,256 yards, 15 touchdowns in 11 games his junior year and robust sophomore stats, he caught the attention of colleges

around the nation early.

Through his high school career Williams received offers from schools including Oregon, Florida State, Southern Miss, Louisiana-Monroe, Mississippi State, Jackson State, Tennessee, Georgia, South Carolina, LSU, Mississippi State, and University of Mississippi. With much anticipation in August 2022, Williams committed to the University of Mississippi.

The wide-receiver also earned Blitz 16 Player of the Week, along

with Titan quarterback Garrison Davis. Williams was named a BankPlus Player of the Week. He was selected for Capitol Ortho's Mississippi Gridiron Team of the Week, along with Titan quarterback Garrison Davis, and will play in the All-Star Mississippi/Alabama Game December 10, 2022 at the University of South Alabama. His teammate, wide-receiver Ja'Braxton Boone, earned a spot on the Mississippi North/South All-Star team.

Williams wears #1 for the Titans and will be wearing #23 in the Under Armour All-American Game, which will broadcast on ESPN. More than 100 of the nation's best players are selected by Under Armour. Players spend a week in Orlando, Florida training and competing at the highest level.

Academics go hand-in-hand

with every sports program at the high school. "Ayden has grown so much as a person, student, and athlete," said Titan football Head Coach and Athletic Director, Teddy Dyess. "When report cards came out recently, he was so proud of making the honor roll."

"I believe his play speaks for itself on the field. He has brought

a lot of positive publicity for our school and city. It's fun to watch him celebrate his teammates' success. This is a true sign of maturity," said Dyess.

Ayden Williams' Ridgeland community looks forward to following and supporting his career at Ole Miss and beyond.
