

A silhouette of a person riding a bicycle is centered in the frame. The person is wearing a helmet and a tank top. The background is a vibrant sunset sky with orange and yellow hues near the horizon and blue tones higher up. The sun is low on the right side, creating a bright lens flare. The overall mood is adventurous and summery.

# RIDGELAND LIFE

Summer In Ridgeland  
Is One Big Adventure.  
Let's Roll!

*the*SUMMER ISSUE

June 2023 - August 2023

## FROM THE **MAYOR**

Gene McGee

I hope this message finds you in the spirit of bloom: azaleas and irises, zinnias and wildflowers, and roses all vie for our attention in the garden beds, reminding us of summer awakenings and the promise of new opportunities.

The trees stand sentinel with fresh shoots, watching over our beautiful City. Even with the harsh winter this year, plants are rebounding and showing off by being so resilient. I feel incredibly proud to serve a City that takes such pride in its beauty; by doing so, it not only delights the spirits but also protects and increases property values.

Amidst all the beauty, however, it is concerning when I note the amount of roadside litter our employees are required to pick up on a weekly basis. The Public Works Department conservatively estimates that costs in keeping Ridgeland's streets clean reach upwards of \$45,000 per year. This is an expense that could and should be avoided, and the funds could be put to use in so many more productive ways: the City of Ridgeland Police Department could purchase a patrol car; the Public Works Department could hire needed additional employees; or the Recreation and Parks Department could offer students part-time jobs in the summer that would further help keep our parks the best they can be and keep our recreation and parks programs running smoothly.

I could go on about how this money could be used, but I want instead for each of you to ask yourself what the funds might be used for and to ask each of you, as citizens, to do everything you can to help keep our City clean. First – and I know most of our citizens are highly responsible – you can do this by not littering. Second, you can let our police department know if you see someone littering by taking down their license plate number and sending it to the police department so they can write these individuals a letter encouraging them not to litter. Third, join us on one of our park volunteer clean-up days: they are fun, sociable, and make a positive difference to the community. If we work together, I am convinced that we can keep Ridgeland litter free and continue to promote the beautification of the city, and protect property values.

On the topic of beautification, congratulations to Keep Ridgeland Beautiful for receiving three awards at the 30th Annual Keep Mississippi Beautiful Awards Luncheon. The awards include First Place in the Wild Flowers Trails of Mississippi category, Second Place in the Civic Partnership category for the City's partnership with First Ridgeland Baptist Church, and a Circle of Excellence award from Keep Mississippi Beautiful. Keep Ridgeland Beautiful is also a proud member of the Keep America Beautiful President's Circle.

This spring, it has been particularly exciting to see all the great activities taking place in Ridgeland's schools. Not only are students excelling in academics and sports, but our schools continue to raise the bar. It is fantastic to have such outstanding schools in the City of Ridgeland, led by tremendously talented faculty and administrative leadership.

I hope each of you has a wonderful summer. I know many of you will be traveling, taking vacations to the beach, mountains, and other countries. Please be safe and enjoy this season with family and friends.

*Gene F. McGee*

# Telling Ridgeland's Story

By Polly Hammett

Old City Hall and Library

**J**UST WHEN YOU THOUGHT SCHOOL WAS OVER... HERE'S A POP QUIZ!  
LET'S TEST YOUR KNOWLEDGE OF RIDGELAND PEOPLE, PLACES, AND EVENTS.

Dating back to the Woodland and early Mississippi periods, there are six Native American burial areas located along the Natchez Trace in Ridgeland. This site is known as (1) \_\_\_\_\_.

U. S. Agent, (2) \_\_\_\_\_, served at the Choctaw Agency in the early 1800s.

*(Hint: There is a beautiful residential development on Old Agency Road named for him, although the spelling of his last name was altered.)*

OK. This one is easy. The Village of Ridgeland was chartered on (3) \_\_\_\_\_.

The original village was less than one-mile square. It was established on land purchased from the (4) \_\_\_\_\_ family in 1896 by (5) \_\_\_\_\_.

*(Bonus points if you know the names of the two men who headed up this company)*

Many of the buildings in the Village were destroyed by fire in (6) \_\_\_\_\_.

The oldest chartered church in Ridgeland is (7) \_\_\_\_\_.

Built in 1896, (8) \_\_\_\_\_ was dismantled, numbered, loaded onto a wagon and moved to Ridgeland, and rebuilt in the early 1900s. It now sits in Old Town.

*(Bonus points if you know the church and its current location.)*

There have been (9) \_\_\_\_\_ men to serve as mayor of Ridgeland. The first was (10) \_\_\_\_\_, who celebrated his 80th birthday by walking nine miles from Ridgeland to Jackson. For most of this journey, he walked on the railroad line. If this journey was attempted today, it would only take ONE STEP!

The first man to serve as Police Chief in Ridgeland was (11) \_\_\_\_\_. *(Bonus points if you can name the current Chief of Police)*

There are two former governors buried in Ridgeland. (12) \_\_\_\_\_ is buried at Jessamine Cemetery, and (13) \_\_\_\_\_ is buried at Parkway Cemetery.

Construction began on the Natchez Trace in 1947. The stretch between Ridgeland and Kosciusko was opened to traffic in (14) \_\_\_\_\_.

*(Each blank is worth 3 points, and bonus points are worth 5 points. Check the answers on page 22 and see how well you know your City.)*

Local business, (15) \_\_\_\_\_, was opened in 1936 on Hwy 51 and probably benefitted from traffic from The Trace. *(Bonus points if you know the year Hwy 51 was paved)*

The Green Hotel was located in Old Town near Porter and Central Streets. It was a central gathering place for picnics, dances, parties, and photo opportunities. All that remains of the original building is the (16) \_\_\_\_\_. The rest was destroyed by fire. Spearheading a retail construction boom in the area, Northpark Mall was opened in (17) \_\_\_\_\_. Ten years later (18) \_\_\_\_\_ opened and greatly enhanced the development of the City on the west side of the interstate.

Ridgeland High School was opened in 2002. A 2006 graduate and track star, (19) \_\_\_\_\_ won a gold medal at the Summer Olympic Games in 2012.

After at least three prior locations (Old Town, School Street, and Hwy 51 at Lake Harbour), City Hall moved into the present location in (20) \_\_\_\_\_.

The Historical Society has been working on an exciting project to enhance our trails and sidewalks while educating walkers, residents, and visitors about the City of Ridgeland. We will have more information on this project soon. Meanwhile, we continue to gather photos and artifacts for permanent exhibit in the History Room at City Hall.

In the March 21, 2023, meeting of the Mayor and Board of Aldermen, it was announced that the northernmost stretch of Wheatley Street will now be called Carr Farms Road. The Historical Society and Historical Committee made this name change recommendation when it was learned that this area was being developed and work had begun on several new homes. The Carr family has lived in Ridgeland for six generations. They owned and farmed this property for many years. This is the second street name change we have proposed, and we hope to honor the history of Ridgeland in this manner in the future.

## CYCLING DESTINATION

**R**idgeland offers locals and visitors alike a cycling experience like none other. Enjoy mountain biking, a National Scenic Byway and Park, and biking events for families and competitors.

Serious cyclists and casual cruisers share the Natchez Trace Parkway and the Multi-Use Trails in Ridgeland. Some trails even lead to cafes and specialty shops! Ridgeland's BMX and mountain biking will thrill adrenaline seekers. Somehow, all that high-performance fun is even better, knowing that Southern hospitality and fine food await at the end of the day.

INSIDE + OUT

Ridgeland boasts annual cycling events for all ages and abilities. A few popular events include the Natchez Trace Century Ride with 25, 50, 62, or 100-mile distance options held during Ridgeland's Art, Wine & Wheels Weekend in May. On May 4, 2024, we are excited to celebrate the 25th anniversary of the Natchez Trace Century Ride, which now brings in over 1,000 participants. In September, Jackson Metro Cyclists will hold a Labor Day Ride in Old Trace Park. October brings the two-day Fat Tire Festival and Cycle Out Kid's Cancer. The Ridgeland Cyclocross Series offers events in September, October, and November and hosts the Mississippi Cyclocross Kid's Project. No wonder Ridgeland is the Cycling Capitol of Mississippi!

The City was honored to receive the Bronze Bicycle Friendly Community Award from the League of American Bicyclists. *"Being a Bicycle Friendly Community takes more than hosting a yearly event or building a few bike lanes," said Bill Nesper, executive director of the League of American Bicyclists. "The best communities for people who bike are places where efforts to build connected bike networks are complemented by ensuring equal access to bike education and hosting inclusive community rides and events for all types of riders. They are places where embedding equity and accessibility into bicycling efforts is the rule, not the exception, making them truly better for everyone."*

## SAFETY IS KEY

The City of Ridgeland proclaims Bicycle Safety Month during the month of May. We take pride in providing our citizens and visitors with accessible and safe areas for cycling.

We urge all residents, as motorists or bicyclists, to respect cycling and encourage safety throughout our community. Bicycling has a wide range of benefits for cyclists as well as the community at large, including saving money and time, reducing traffic, and improving health and fitness.

## BICYCLE SAFETY MONTH PROCLAMATION

**WHEREAS**, the bicycle is a viable and environmentally sound form of transportation and an excellent form of recreation; and

**WHEREAS**, millions of Americans will experience the joys of bicycling during the month of May through individual and group rides and commuting events; and

**WHEREAS**, Americans, in record numbers, are turning to bicycling for transportation, recreation, and exercise; and

**WHEREAS**, bicycling will enhance your physical health, improve your mental outlook and overall quality of life; and

**WHEREAS**, the keys to bicycle safety are the education and cooperative understanding of properly sharing the road with motorists and vehicles, traffic handling skills, communication between cyclists and motorists, obeying traffic laws and the rules of the road; and

**WHEREAS**, the City of Ridgeland has joined with Bicycle Revolution, Bike Walk Mississippi, Tri-County Mountain Bike Association, Jackson Metro Cyclists, Indian Cycle, and Magnolia Ridge in declaring May to be Bicycle Safety Month; and

**WHEREAS**, bicyclists of all ages throughout the City of Ridgeland, the State of Mississippi, and the nation will promote bicycling as an environmentally-friendly alternative to the automobile and a wholesome leisurely activity during the month of May.

TOP ROW FROM LEFT TO RIGHT: BERNIE BRENNEMAN, MAGNOLIA RIDGE; TOM MARTIN, INDIAN CYCLE; JAYCE POWELL, BICYCLE REVOLUTION; CHRIS WISE, TRI-COUNTY MOUNTAIN BIKE; AND BEN MCDONALD, BIKE WALK MISSISSIPPI

**NOW, therefore,  
I, Gene F. McGee,  
Mayor of the City of Ridgeland,  
do hereby proclaim May as  
BICYCLE SAFETY MONTH.**

# Mississippi NICA League

## Launches First Program in Ridgeland

By League Staff

**D**id you know that the Mississippi NICA League, a new state-wide youth development organization, has its birth and headquarters in Ridgeland?

The Mississippi NICA League is a 501(c)(3) and is the 31st league in the National Interscholastic Cycling Association. It is our goal to get more Ridgeland and

Mississippi kids on bikes! NICA is guided by the values of fun, inclusivity, equity, respect, and community. We build strong bodies, minds, character, and community through cycling.

The first NICA team in Mississippi, the Mississippi Blues Composite Mountain Bike Team, was started by Selena Swartzfager and her son Greyson in 2016 to spend more time together

outdoors. This team had ten student-athletes and three coaches who practiced primarily at the Ridgeland Mountain Bike Trails in Madison County. The young team

participated with the Alabama NICA League, driving 4-6 hours for their races each spring.

Michelle Williams, the newly hired Mississippi NICA League Director, and her grandson Aidan started riding the Ridgeland multi-use trails when he was just four years old. As he got older and more experienced, he wanted to start riding on the road. Michelle was too nervous to let him ride on the more trafficked streets, and when they learned of the Mississippi Blues, they were both ready to start mountain biking. Immediately after riding his first ride with the team, Aidan was so excited. His skills improved exponentially, riding with other kids his age.

Fast forward to today, the Mississippi Blues Composite Mountain Bike Team has grown to thirty students, most from Madison County, with eight athletes living in Ridgeland. The Blues have helped start teams in Oxford and Meridian. The team enjoyed competing in Alabama over the years, but the parents, coaches, and supporters all

believed it was time to bring the fun to Mississippi. Selena and Michelle started the Mississippi Interscholastic Cycling League on January 17, 2023.

In the Mississippi NICA League, every youth in the 6<sup>th</sup> - 12<sup>th</sup> grade is empowered to be part of a thriving and engaged cycling community. This is not an amateur sports league, as the programs are more focused on developing the whole student-athlete and their families. This League is more than just racing, as the adventure rides and bike games promote a time to “just play” outdoors with friends. This program is proud that there are no tryouts; everyone makes the

team. There are no benchwarmers and everyone participates at their level. Stewardship is emphasized by teaching the students respect for the trails they ride through trail maintenance. Additionally, students and their parents are encouraged to become bike advocates by meeting with local community leaders to discuss bike advocacy and the need for additional safe spaces for kids to ride their bikes.

Students and families have all loved participating in a community mountain bike program. Many times a student will join a team and will be the only one in her family who rides a bike. Before the season is over, Mom, Dad, and siblings are all having fun enjoying the benefits of riding a bike in the woods.

The Mississippi NICA Board is excited to bring a great national organization to Mississippi to get more kids on bikes, playing, and having fun outside. For more information about participating with the Mississippi NICA League, please visit our website at [www.mississippimtb.org](http://www.mississippimtb.org) or email Michelle Williams at [michelle@mississippimtb.org](mailto:michelle@mississippimtb.org)

# Grant Funding Enhances Highland Colony Parkway

By Jordan Lohman, City Planner

**I**n 2018, the City of Ridgeland received a grant from the “CN Ecoconnexions from the Ground Up” program in partnership with America in Bloom to plant approximately 300 trees within the median of Highland Colony Parkway. The City of Ridgeland matched the funds provided by this grant from the city’s Tree Ordinance “In-lieu Fund.”

The project aimed to help promote and foster a healthy community while visually enhancing the parkway. The native shade trees along the parkway include Willow Oaks, Shumard Red Oaks, and Nuttall Oaks. Crape Myrtles were also included in the narrow portions of the median to provide spring color and interest.

The trees help to lower the surface temperatures within the area by providing shade to the parkway pavement. The trees at maturity will also have the ability to absorb as much as 7 tons of CO<sub>2</sub> annually, helping offset the vehicular traffic's environmental impact along the parkway. The tree species selected are long-living trees and will receive continued maintenance from the city. This project supports the tree and canopy coverage goals (40%) of the City of Ridgeland Tree Ordinance.

The project, since its completion in 2019, has drastically changed the aesthetics and views along the parkway. While the canopy of the trees is now reaching the tops of adjacent light poles, the shade, and visual impact will only continue to improve the experience of Highland Colony Parkway for years to come.

*Adopted in 2006, The City of Ridgeland Tree Ordinance aims to protect and enhance the existing tree canopy within the City by requiring developers to mitigate the removal of tree canopy within the limits of a proposed development. When developments are unable to plant the total required trees on-site, they have the option to pay into the "In-lieu Fund." This option goes toward funding city-initiated tree planting projects such as this along Highland Colony Parkway.*

# What You Need to Know About French Drains

*By Cynthia James, Public Works & Paul Lanning,  
Allen Engineering and Science*

A French drain is a trench filled with gravel or rock, with or without a perforated pipe, used to redirect surface water and groundwater. This practice is a common means of diverting water from one location (ex. near a foundation or a wet area on a property) to another location (ex. municipal (City) storm drain or a nearby swale). A French drain diverts excess rainwater in order to dry soil that is excessively waterlogged.

## WHAT IS A FRENCH DRAIN?

An exterior French drain is a trench 6 inches to a few feet in diameter dug along a declined slope on a property. It is covered over with gravel to prevent excess mud and debris from entering the trench and to prevent soil erosion on the inside. Perforated piping may be laid underneath the gravel to accelerate the movement of water through the trench. Gutter downspouts from a home's roof may empty directly into a French drain system to alleviate flooding due to excess rainfall.

## ADVANTAGES OF FRENCH DRAINS

- French drains provide an effective way to channel water away from a home to prevent water damage.
- Waterlogged lawns can be transformed and rendered useful for gardens or children's play areas.
- French drains are relatively inexpensive to install, particularly if they do not require excavation of exterior structures, such as walkways and decks.
- Installing a French drain does not necessarily require special tools or heavy equipment.

## DISADVANTAGES OF FRENCH DRAINS

- Installing a French drain can be dangerous if there are utilities buried in the vicinity. Always call 811 before you dig!
- Digging may disturb natural water flows and can lead to the pooling of water. It is important to understand the water flow on your site.
- Installing a French drain may require the removal of existing structures, such as decks and walkways, especially if using a backhoe to dig the trench.
- Clogged French drains may overflow without warning and cause damage to yards and basements.
- Exterior French drains installed without a sump pump rely on gravity to direct water flow. An adequate slope for gravity drainage may be difficult to establish for properties located at the bottom of a steep slope.

When deciding whether a French drain is the right solution for your water issues, it is important to consider where the water will ultimately end up. The system should drain into a waste area, a street, a municipal drain, or a suitable area of the landscape (such as near a tree or a rain garden). It should NOT drain into your neighbor's yard. If there is no suitable place to drain the water, consider a different option.

# Keep Ridgeland Beautiful

## CONTINUES TO BLOSSOM

*By Kim Cooper and Ginger Cocke*

**G**inger Cocke and Jan Richardson with Keep Ridgeland Beautiful traveled to D.C. in late February to the Keep America Beautiful national conference. Keep Ridgeland Beautiful has recently won innovation awards at the state and national levels for their Never Forget Garden project.

Ms. Cocke co-presented with Richard Azzaro, co-founder of the Tomb Guard Society and creator of the Never Forget Garden program. Keep Ridgeland Beautiful photos and award entries of the Never Forget Garden were also included in the inaugural issue of the journal for the program.

Throughout the years, Keep America Beautiful has placed a wreath at the Tomb of the Unknown

Soldier at the beginning of the annual meeting. It was a great honor that Keep Ridgeland Beautiful received approval from the Society to place a wreath during the ceremony.

Keep America Beautiful, organized in 1953, is celebrating its 70th Anniversary this year with the theme – Clean, Green, and Beautiful. The City of Ridgeland created a beautification committee in 1989 and became an affiliate of Keep America Beautiful in 2013. Like Keep America Beautiful, our affiliate goal this year and every year is to keep our City clean, green, and beautiful so everyone can be proud to live here.

Thank you to all of our members of Keep Ridgeland Beautiful for your hard work and dedication!

# 30 Years of Financial Reporting Achievement

The Government Finance Officers Association of the United States and Canada (GFOA) has awarded the Certificate of Achievement for Excellence in Financial Reporting to the City of Ridgeland for its annual comprehensive financial report for the fiscal year ended September 30, 2021. The report has been judged by an impartial panel to meet the program's high standards, which includes demonstrating a constructive "spirit of full disclosure" to communicate its

financial story and motivate potential users and user groups to read the report.

The Certificate of Achievement is the highest form of recognition in governmental accounting and financial reporting, and its attainment represents a significant accomplishment by a government and its management. The City of Ridgeland has received this honor for 30 years.

The Government Finance Officers Association (GFOA) advances excellence in government finance by providing best practices,

professional development, resources, and practical research for more than 21,000 members and the communities they serve.

**The City of Ridgeland is excited to announce the continued partnership with VDCI Mosquito Management!**

VDCI's Integrated Mosquito Management (IMM) programs focus on surveillance-based control strategies, public awareness, and the use of adulticide applications only when mosquito population levels or the threat of disease deems necessary. The VDCI team includes entomologists, mosquito control specialists, certified pesticide applicators, wetland scientists, and GIS specialists to meet all of your program needs.

# Ridgeland Chamber Awards Banquet

## HONORS VOLUNTEERS AND CITY LEADERS

By Linda Bynum

Some 300 business leaders and City Officials recently filled the Country Club of Jackson, celebrating Ridgeland's economic growth and development during 2022 and honoring volunteers

for their dedicated service to the Chamber and City.

"America's Got Talent" finalist and Golden Buzzer award recipient Sal Valentinetti from New York City performed "Rat Pack" favorites. He presented

2023 Ridgeland Chamber President Ray Balentine of Michael Baker International with the golden buzzer as 100 gold balloons dropped from the ceiling. Chamber Board members and Diplomats gathered onstage to congratulate Ray.

“Our 2023 theme is *Celebrating 30 Years of Success • 1993 – 2023*, and this year we will continue helping our businesses succeed with promotional opportunities like *SHOP SMALL SATURDAY* and *Shop Local / Buy Local*,” said 2023 Ridgeland Chamber President Ray Balentine.

“We will offer networking events that encourage our businesses to do business with each other and our citizens to shop local. And, we will continue to promote Ridgeland's business community as Mississippi's Business Destination by showcasing all the products and services our various business members have to offer,” he added.

The Awards Banquet also honored Ridgeland Chamber volunteers for their contributions to the Chamber and the City of Ridgeland.

# Remembering Ann Smith

*By Delila Vance  
Library Media Specialist, Ann Smith Elementary*

**T**he Ann Smith Elementary (ASE) community would like to pay tribute to the late Ann Smith. Miss Smith served as a third-grade and lead teacher at the former Ridgeland Elementary School and was shortly after promoted to school principal. It was there that she found her calling. She dedicated her life to serving the staff, students, and school community.

Mrs. Fortenberry, a former ASE Computer teacher, was the last staff member to be hired by Ms. Smith. She describes her as "Small in stature, very tall in all things ASE." Fortenberry said one of the things that stood out the most about Ms. Smith was her dedication to the school. She knew all 800 students by name. She was

the first to arrive at the school and the last to leave at the end of the day. She added that ASE continued to excel as an A-rated school under her leadership.

Literacy Specialist Miriam Carman stated that she feels honored to work at the school where Ms. Smith poured out her heart for many years. She always remembered a student who went through her school. Mrs. Carman added that she loves to see the looks on her student's faces when she tells them she was a student at ASE under the actual Ann Smith!

Katie Holden, Technology Specialist, said that what stands out to her is that Ms. Smith still remembered her and her family 20 years later. "She was one of the kindest people I have ever met," stated Holden.

Ann Smith will always be remembered as a dedicated, passionate educator and leader who ensured no student was left behind. Upon her retirement in 1991, the Madison County School Board voted to change the school's name to Ann E. Smith Elementary in her honor.

# BEYOND Black History MONTH

By Cynthia Groya

At Highland Elementary School this year, students learned about artist Nick Cave's most famous art form, his Sound Suits. As a young Black man in the 1990s, Cave was strongly affected by the beatings of young Black men and felt his life was endangered. To bring attention to his creativity instead of the color of his skin, Cave created Sound Suits to camouflage his identity - his race, gender, and ethnicity.

Every student at Highland created their own Sound Suit design based on Cave's examples and their creativity. Each class then voted on their favorite designs. From almost 700 drawings, students democratically chose 7 Sound Suit designs to create life-size Sound Suits collaboratively.

Once the students chose the Sound Suit designs, every class put their math and analytical skills to work

collaboratively - designing, measuring, and fabricating each part of the 7 Sound Suits. As each Sound Suit reached completion, students were excited to see them come to life and took turns trying on the Sound Suits.

Nick Cave's Sound Suits are often meant to be performative. Students watched films of Cave's Sound Suits in motion and were very fortunate to have choreographer Tobias Griffin from New Orleans give students two weeks of collaborative dance lessons.

Needless to say, the dance sessions were a big success. Some students, who were apprehensive initially, seemed liberated by the process. Mr. Griffin choreographed distinct dances for each grade level.

The Highland Elementary School Sound Suit Project will culminate in a film. Each class will perform and be filmed independently. The final product will be a montage of all the performances.

# Old Town Middle School

Grades 6–8 • 210 Sunnybrook Rd. • 601-898-8730 • [www.madison-schools.com/otm](http://www.madison-schools.com/otm)

*By Abbie Marbury, PTO Public Relations Chair*

Old Town Middle School has had a busy second semester. Students, teachers, and faculty have had a challenging schedule of classes, tests, sports, field trips, and competitions, and even managed to have some fun along the way. For three of Old Town's groups, this year has provided opportunities to compete and show everyone their Titan pride!

The Robotics Club, led by Mrs. Jatoria Kirksey, is comprised of 6th - 8th graders that made up five teams this season. The Club competed in five competitions and

won awards at each one. Team Leviathan received the Judges Award at the Madison County Robotics VEX IQ Tournament, and Team Electro Eclipse won the Jackson Prep Santa Slapshot VEX IQ Tournament and received the Teamwork Champion Award. During the MCS Robotics VEX IQ Invitational in January 2023, Team Modern Minds won the Excellence Award, Team Rockets won the Teamwork Champion Award, and Team Chargers won the Robot Skills Champion Award. All five Old Town teams were invited to compete at the VEX IQ

Mississippi State Championship in Biloxi! The Robotics Club never fails to impress us with its critical thinking, creativity, and ingenuity.

On March 21, 2023, Old Town's Chamber Ensemble and Treble Select Ensemble competed at the annual MMEA State Adjudication for Middle School Choir in Pearl. These two groups put in long hours of practice during the week and on weekends. At the competition, both ensembles performed two selections. Their efforts paid off, and both choirs walked away with ratings of

“Excellent” in sight reading and performance. Congratulations to the Chamber Ensemble, Treble Select Ensemble, and their director, Ms. Marti Stoulig. Old Town's choir students performed in the annual Spring Concert on May 4 at the Ridgeland High School Auditorium.

This past semester, Old Town's Technology Students Association was hard at work. Led by Old Town's Cyber Foundations, STEM, Science, and Gifted teachers, this organization of students develops skills in various technology-based fields of study, including Biotechnology, Coding, Data Analytics,

Structural Engineering, and many more. Following a busy season and much preparation, the team competed at the district level and qualified for the March 22, 2023, state competition. The TSA was successful at state and placed in the categories of Leadership Strategies, Dragster, Tech Design,

Forensics, Medical Technology, and Cyber Security. They will travel to Louisville, KY, from June 28 - July 2 to compete at nationals. Old Town's Technology Students Association is one more reason why it's always a great day to be a Titan!

## McDaniel, 2022 Coach of the Year, Joins “The Land”

TODD MCDANIEL

New Ridgeland High School Athletic Director and head football coach Todd McDaniel joined Ridgeland High School's program in April after a trio of successful years as head football coach at Vicksburg High. McDaniel was named MHSAA State Coach of the Year in 2022. Ridgeland High will move to 6A this year as MHSAA expanded its divisions through 7A for the 2023 school year.

Titans invite fans to purchase season tickets. An all-sports pass is available, as well as individual sport passes. The all-sports pass is the best value. Support your hometown team!

## Titan Writers Earn “Key” Awards

Students in Mrs. Christine Davidson's accelerated English class at Ridgeland High were encouraged to submit entries into the Scholastic Arts and Writing Competition. Two students won awards: Jonathan Lewis won a Silver Key for his poem "Uncle's Plan," and Geda Brewster won a Gold Key for her short story "Murder She Wrote." As a Gold Key winner, Brewster's short story will be entered into the National Scholastic Arts and Writing Contest.

SILVER KEY WINNER, JONATHAN LEWIS

GOLD KEY WINNER, GEDA BREWSTER

## Ridgeland High Robotics earns berth at VEX Robotics World Championship

Ridgeland High VEX Robotics' streak of earning a spot at VEX Robotics World Championship continues. It got down to some tense moments at the VEX Mississippi State Championship, where three RHS teams competed. When it was announced that RHS Team 7536R won the Design Award, cheers ensued: we were heading to VEX World Championship in Dallas!

What do these robots do? Each VEX Robotics launches a new game, and student teams must start from scratch, designing a robot to perform tasks while competing against other teams. This year's game was called "Spin Up." It's a take on disc golf and requires

defensive and offensive strategies. Mr. Michael Broome, in his rookie year as the robotics program leader, supported the team in so many ways this season, including spending hours after school and weekends at tournaments and the robotics lab so that the students could code, design, build, and, yes, rebuild their robots. At Worlds, the 2023-24 game will be announced.

RHS Robotics program gets tremendous support from the Madison County School District and sponsors, including the City of Ridgeland, Mayor McGee, Fusion Coffeehouse, Halcyon Spa, Half Shell Oyster House, Keep Mississippi Beautiful, and Northpark.

The Holmes Community College Ridgeland Campus recognized its students' achievements and honors during the 2023 Honors Day Program held on April 19 in the Pat McGowan Workforce Training Center on the Ridgeland Campus. Representatives from each academic and career-technical program presented awards to students who have shown excellence in their given major, program, or extracurricular activity. Other special awards were given in various categories.

The evening began with a welcome from Ridgeland Campus Career and Technical Coordinator Allison DeWeese and an invocation from Ridgeland Campus Vice President Dr. Don Burnham. Award presentations began with recognizing the 2023 Ridgeland Campus Hall of Fame inductees. Hall of Fame is the highest honor a student can receive, and recipients were voted on by faculty and staff based on academic achievement, campus involvement, and community service.

The 2023 Hall of Fame inductees included: Darian Alexandra Blackburn of Vestavia Hills, Alabama; Jaylen Grays of Jackson; Cooper Herrington of Brandon; Charlotte Lamar of Jackson; Elijah Dustin Mangum of Florence; Mikala Alayne McDonald of Byram; Callie Kurth McKinney of Flowood; Makyra Miller of Brandon; Daniel Patrick O'Dell of Madison; Hollyn Grace Oswalt of Clinton; Derrick Lashun Taylor II of Clinton and Garrett Michael Viator of New Iberia, Louisiana. A few of the Hall of Fame inductees also received other awards. Grays received the Social & Behavioral Science Award, Lamar the Literature Award, Mangum the Journalism Award, and McDonald the Educational Programs Award.

For academic awards, the Biological Science Award went to Jaden Gonzalez of Brandon, the Physical Science Award to Andrea Bonner of Madison, and the Engineering Award to Clara Chapol of Ridgeland. Alex Abramovich of Flowood took home the Mathematics Award, Zoe Lewis of Madison the Computer Science Award, and Tierra Lonie of Jackson the Business Administration Award. Jessica Gibbons of Flora also received the English Composition

Award and Rachel Mallord of Brandon the Spanish Award.

The Public Speaking Award went to Sarah Hammons of Clinton, the Ambassador Award, to Olasike Olagbegiof Jackson, and the History & Political Science Award, to William Barksdale of Madison. Jared Snyder of Madison took home the Criminal Justice Award, Laura Collier of Ridgeland received the Fine Arts Award, and Larry Kuhn of Pelahatchie received the Health, Physical Education, & Recreation Award.

For career-technology and workforce programs, Connor Lofton of Canton received the Heating, Ventilation, AC & Refrigeration (HVAC) Technology Award; Juan Chacon of Ridgeland,

the Welding & Cutting Technology Award; Margie Martin of Benton, the Engineering Technology Award and Michael Waltman of Canton, the Electro-Mechanical Technology Award.

The Paralegal Technology Award went to Michelle Stallings of Canton; the Culinary Arts Technology Award to Angelica Mejia Gonzalez of Madison; the Business & Office Technology Award to Jodi Perron of Carthage, and the Information Systems Technology Award to Kendell Williams of Jackson. Erin Hill of Ridgeland received the Occupational Therapy Assistant Technology Award, Christopher Sullivan of Brandon received the Emergency Medical Science Award, and Diamond Boyd of Jackson the

Associate Degree Nursing Award. Winners of the Literary Contest were also recognized. In the Short Story Category, Emma Christy of Madison won first for "Fossil Finds," and Peyton DeLaune of Madison placed second for "Rental Cars, Stray Cats, and Storms." In the Poetry Category, Addy Huddleston of Madison had two of her poems tied for first place: "Your Skeleton" and "Tomb for a Bird." DeLaune came in second place for her poem "Proverbs of Our Love." In the Literary Essay division, Sean Jordan of Byram won first place for "The Influence of Christianity in the Works of Phillis Wheatley." Finally, in the Personal Essay Category, Laura Box of Jackson won first place for "Blame Shifting."

# Ridgeland Public Library Summer Programs

By Kristen Hillman, Ridgeland Library Branch Manager

This June, be sure to stop by your Ridgeland Public Library for a whole summer of fun things to do that the entire family will enjoy. Sign-up for our summer reading contests and giveaways while you're here, and never miss out on all the awesome prizes your library wants to share with you! Starting June 1, prizes and giveaways will include a Kindle Fire eBook reader, a tablet, gift cards, and library swag. We are all about sharing the love with our community this June and July.

Our *Summer of Reading* kicks off on June 7 at 2:00 p.m. for families of all sizes with the phenomenal Crescent City Circus straight out of NOLA. The Crescent City Circus is a husband-wife duo from New Orleans fusing magic and circus arts. The show

is great for parents and kids of all ages. Audience members will get to have the magic happen in their own hands. Hula hoops and juggling balls will swirl through the air, and performers will balance atop rolling tubes and even each other. Come one, come all, for a fantastic start to our calendar full of events this summer!

The fun continues that week with a special program for adults and seniors honoring World Oceans Day. Join us on Thursday, June 8 at 4:30 p.m. (ages 18+) for *Upcycle Chic*, a fun program that shows you how to make treasure from trash. Keep plastic containers, like laundry pod containers, small bottles, and sanitizing wipe containers out of our oceans and make something useful.

### 2022 Natchez Trace Bandits plane display at the Renaissance will be on display at the Ridgeland Library

Have you ever wanted to be a pilot? Come see why the Natchez Trace Bandits R.C. Club is so excited about radio-controlled flying. The club will also display its collection of airplanes, including homemade and 3D Printed helicopters and drones. You can also do some flying practice yourself using their simulator! Don't miss this special Saturday event on June 10 at 11:00 a.m.

Do you know a teen who may be a prospective babysitter this summer? If so, bring them to the library's *Babysitting Bootcamp* on June 1 at 2:00 p.m., where prospective or veteran babysitters can learn or freshen up on techniques such as lifesaving and emergency CPR on infants and children as well as practical first aid and safety tips. This program is limited to 12 participants, so call the library at 601-856-4536 to register in advance. We want to thank Jessica Ridgeway of Vital Hearts, LLC, for providing hands-on training to our participants. Afterward, learn some easy crafts

from youth librarian Ms. Summer using common household items and fun things to do with kids of all ages.

*Juneteenth* is June 19, and the Ridgeland Library is proud to partner with Mississippi Djembe drummer, Baba Asante, to celebrate this day of freedom and proud African heritage. Join us for traditional African drumming and drum circle with the members of Mississippi Djembe for an unforgettable Juneteenth experience on June 19, starting at 3:30 p.m.

### Mississippi Djembe

Calling all artists! Starting June 1, we will begin accepting submissions at the library for our first-ever *Summer Library Art Contest*, open to all ages. This year's theme is "All Together Now," and we want to see your best art representing peace, unity, love, and respect for all. All artistic mediums accepted - painting, sketch/drawing, sculpture, photography, and digital or mixed medium. Please follow the rules and guidelines for size and

subject. Art must be no more than 11x17 on canvas and 18 inches for sculpture or mixed medium. Entries will be accepted until June 26. There will be a reception and awards ceremony on June 29. Art will be on display from June 29 – July 28, after which time artists can recollect entries. One winner will be selected per age category: Ages 0-4, Ages 5-11, Ages 12-13, Ages 14-18, and Adults 18+. Join us for our awards reception and open gallery on Thursday, June 29, starting at 4:30 p.m.

July continues our *Summer of Reading* program with two fun events for all ages. The family will not want to miss *Freedom Ranch Wildlife Center* on

July 19 at 3:30 p.m. The ladies of Freedom Ranch will introduce us to some animal friends and have demonstrations of what some of these amazing birds of prey are capable of. This is an informative and fun event you do not

want to miss. Dorian LaChance, magician, and comedian, closes our Summer Library Program on July 27 at 2:00 p.m. Dorian is a staple in libraries and other venues across the state. His shows always have something to keep the whole family laughing. Laughter brings us all together, so laugh it up this summer and put a smile on your face at the Ridgeland Public Library!
