February 25, 2026

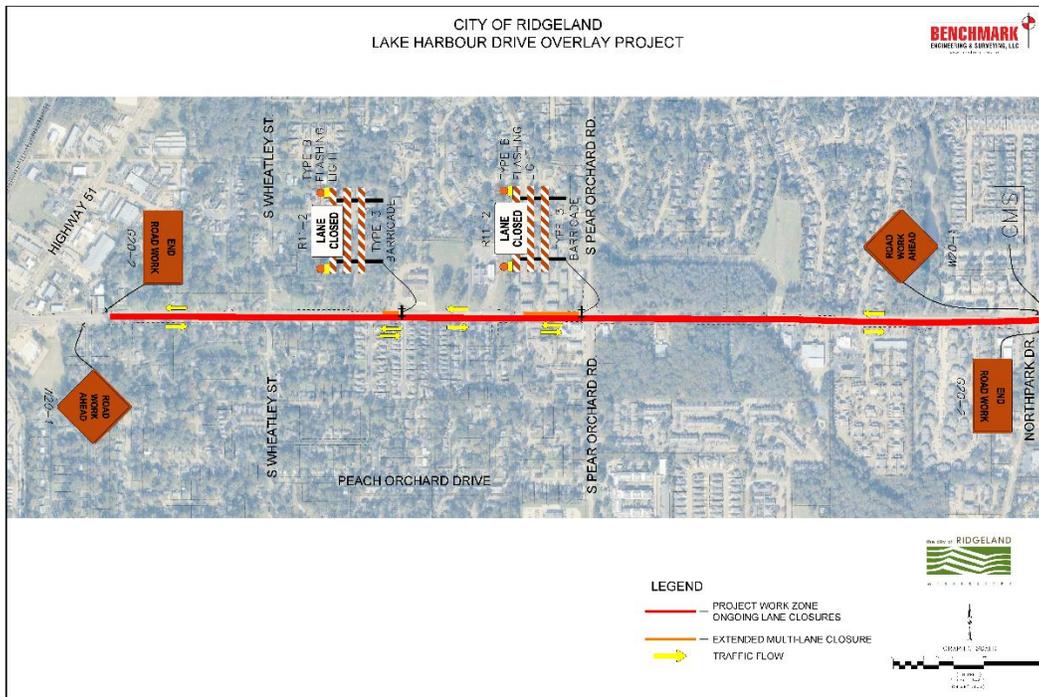

**CITY OF RIDGELAND TO BEGIN LAKE HARBOUR DRIVE OVERLAY PROJECT NEXT WEEK**

**RIDGELAND, MS** — The City of Ridgeland will begin work on the Lake Harbour Drive overlay project on Monday, March 2. Construction will take place along Lake Harbour Drive between Christine Drive and Northpark Drive.

The project is expected to take approximately six months to complete. Throughout construction, at least one lane of traffic will remain open at all times to help minimize disruptions. This overlay project represents an important infrastructure investment aimed at improving roadway conditions and ensuring the long-term safety and reliability of one of Ridgeland’s primary corridors.

Warning signs and detour signage will be clearly posted to assist drivers. The City will continue to provide updates as work progresses and appreciates the public’s patience and cooperation during construction.
