# BIKE MS: MISSISSIPPI 150

OCTOBER 8-9, 2016

## AN UNFORGETTABLE RIDE

25, 45 & 75 MILE ROUTE OPTIONS

Help create a world free of MS while enjoying the ride of your life! Bike MS: Mississippi 150 takes you along the beautiful back roads of the Mississippi countryside and along the famous Natchez Trace! We start each day in the cycling friendly city of Ridgeland with Mayor McGee at the helm. Then we travel down the scenic Trace roads just as the fall foliage begins to turn. The ride includes a tour of historic cities from the Civil War like Raymond and Bolton. This is one ride you do not want to miss!

IT TAKES TEAMWORK.

## LET'S RIDE TOGETHER!

Make your Bike MS experience even more memorable by riding as part of a team. Start your own as a team captain or join an existing team. You'll feel a spirit of togetherness and support like you've never experienced before. With every team training ride and every dollar raised toward your fundraising goal, you'll form bonds with your teammates that will last long after you cross the finish line.
